

2027 Membership Dues

AZ GOLF remains committed to its mission of engaging the Arizona community through the game of golf by providing handicap administration, course rating and rules of golf support, along with enhanced member benefits, playing opportunities and programs that help foster connection and community among Arizona golfers. Since 2021, AZ GOLF membership has grown by more than 20%, reflecting the continued strength and momentum of the game across Arizona.

To continue delivering the high level of service and member value our clubs and golfers expect, and in response to rising operational costs, annual dues will increase from \$45 to \$50 beginning with the 2027 membership year. This modest \$5 adjustment represents the Association's first dues increase since 2021.

This increase will allow AZ GOLF to not only maintain, but enhance, the programs and services that make membership meaningful. Members can continue to expect exceptional service, valuable member programs, expanded playing opportunities, and continued investment in the game throughout Arizona. We remain committed to ensuring that membership dues provide strong and lasting value year after year.
